Do you have listings for WGNM Macon, the other UPN station mentioned in the network ads?

Reply

**Anthony Abate**19 February 2017 at 12:10

Well those listings are primarily FamilyNet outside of UPN prime-time programming, and UPN's prime-time schedule is the same as the listings for WTEV Jacksonville.

The stunning thing here is how little local news ran on the weekends. Scroll up and see that there's none on ABC's channel 7, just a pair of five minute briefs on CBS' channel 2 (bet they were read by a staff announcer with just a slide seen on screen) and none on perennial local news-focused KTLA.
